

Sartell All-Sports Booster Club

WHO WE ARE AND WHAT WE DO

The Sartell All-Sports Booster Club provides equal support for all of our student athletes in the 28 different sports offered at Sartell High School. The All-Sports Booster Club operates outside of the school district's budget, which enables us to help fund both little and big extras to individual teams as well as to the greater needs of the athletic programs.

We strive to give each team \$1000 per year. Coaches can use these funds as they see fit. We are committed to providing the highest level of support possible to our teams. Those funds often go toward new uniforms, equipment, team meals, upgraded busing for long trips and other team needs. In addition, the Boosters have historically funded school-wide projects like the scoreboard for the football, track and soccer stadium, iPads that the coaches use to help record times/stats during meets/games, weight room supervisors, a strength coach, banners in the HS gym, awards for each State participant, and provide up to \$150 per athlete for All-Star/All-State recognition banquets and tournaments. Each year the Boosters award four \$500 scholarships for senior athletes -2 boys and 2 girls- whose parent(s)/guardian(s) belong to the All-Sports Booster Club. These scholarships are based on an essay related to their Sabre experience, not their awards as an athlete. Most years, the Booster Club also hosts an annual golf tournament in August and a Spring social with a silent auction.

HOW DO I JOIN?

Cost is \$50 for a standard membership, or \$100 for a Super Sabre membership. The Super Sabre membership includes recognition on social media and further supports our athletes. Both memberships cover ALL of the high school athletes in your family for ALL of their sports this year. To those of you who have already joined for this year, thank you! If you have not yet done so, we ask that you PLEASE consider joining. All student-athletes, regardless of their parents/guardians being members or not, enjoy all of the "extras" the All-Sports Booster Club provides with our funding. Register using the form below or online!

The Sartell All-Sports Booster Club is dedicated to helping provide the resources needed for every athlete and coach to thrive in Sartell High School programs!
